PEPITO AND THE VAQUERO

By JIMMY KANE

IF YOU'VE ever been to the Southwestern States, you know that there are two types of cowboys. One is the vaquero, the Mexican cowboy, and the other is the American cowboy. The vaquero is a cowboy who has been in the Southwest since the first Spanish explorers came to the region. He is a cowboy who has learned the art of riding and herding from his Spanish ancestors.

"I was on the deck when I was hit," said the man. "I was on the deck when I was hit. I was on the deck when I was hit. I was on the deck when I was hit. I was on the deck when I was hit."
